QTY. **	Type	DESCRIPTION	PRICE*
	MATLAB code	FEAN – Finite element code and interface	499,00 €
		Cable tensioning tool for FEAN	199,00 €
	---	Mesh generator starting from points cloud	39,00 €
	EXE	Wind induced acceleration for tall buildings (UK)	39,00 €
	Excel spreadsheet	Steel columns design EUROCODES 3	49,00 €
	---	Push-Over curve creation MDOF to SDOF	19,00 €
	---	Verifica di maschi murari NTC 2018 (ITA)	9,90 €
	---	Arch structure – Analysis and design	19,00 €
	---	TMDD – Tuned mass damper analysis	9,00 €
	---	Reinforced masonry with R.C.	19,00 €
	---	Spettri elastici e di progetto NTC2018 (ITA)	15,00 €
	---	Masonry building damage assessment CIRIA	29,00 €
	---	Sheet pile design	9,00 €
	---	Shear studs design	9,00 €
	---	Coefficienti spinta terre (Coulomb/Monobe Okabe)	9,00 €
	---	Stress integration for FE Software	9,00 €
	---	Verifica elementi in acciaio NTC2018 (ita)	69,00 €
	TI-Nspire Calculator Texas Instrument	SCEC3 – Steel column design EC3	24,00 €
	---	BD17 - Bolt and steel plate design	27,00 €
	---	BenPlusForce - Bending moment plus Axial force design RC section	9,00 €
	---	RCBD - Reinforced concrete beam design	29,00 €
	---	WD – Weld design	9,00 €
	---	Masonry17 – Verifica Muratura (ITA)	9,00 €
	---	IQM – Indice della qualità della muratura (ITA)	5,00 €
	---	RD – Reinforcement data	0,10 €
TOTALE			

Formal Purchase Order 2018

Please complete this order form and email it to: struang.engineering@gmail.com

DATE :

REFERENCE EMAIL :

*The price already includes 22% Italian tax. All prices are expressed in euros and for one software licence.

** Please insert the quantity that you would like to order and then calculate the total cost in euro simply adding up all the amounts.
