

How to order the products you need

If you want to buy products that you interest, you must follow this procedure:

1) Write your e-mail address in the appropriate box

2) In the big box below write:

- your name and surname
- the complete address of where you want to receive the package
- the telephone number, where I can call you for quick information

3) **Next**

- you will need to write the code and the name of the products that you interest,
- indicating the number of packages you want

2) **finally you will have to indicate the payment method you want:**

- **PayPal** (recommended, because you are guaranteed in everything and costs nothing)
- Payment on postal credit card (**PostePay**)
- Transfer to my bank account
- With payment to the courier, upon receipt of the package (this method involves a small extra cost for the service performed by the courier)

PayPal™

OR send a WhatsApp message to my number below,

writing the things I specified above.

As soon as I receive your message, I will reply, confirming

- the availability of the products you need,
- the price, with the discount reserved for you, of the products ordered,
- the total to pay
- the bank details, to make the payment you have chosen.

As soon as you confirm that all is well,
I will send you the package by express courier..

ATTENTION:

**Packing cost and free shipping, for a minimum order of € 50.00
For lower amounts packaging and shipping charged at cost**

If you want more information, write me or call me. I will answer all your requests with pleasure.
