DIVISIONE TRASFERIMENTI

Yachts Transfer

The Studio Tecnico Navale FD performs yachts transfers since over 20 years. The crew is formed by Captain Dario Farabegoli, who has gained significant experience in the Military and Merchant Navy, and since 1980 in yachting, and is actually a Marine Surveyor, Enave Certifier, Technical Consultant for prestigious shipyards and by the skipper Mauro Brasioli, expert sailor, sailing instructor, competing racer with several long-range navigation (Atlantic and Mediterranean). To date the Studio Tecnico Navale FD has successfully carried out the transfers of over 150 boats (M/S and M/Y up to 40 meters). The Studio Tecnico Navale FD has the skills to manage any navigation related problems, and operate on all on board equipment/systems, in order to ensure maximum safety, punctuality and reliability in the transfer of your yacht.
