

# Chiara Fini

Personal Details	<p>I am a 21 year old student, based in Florence. I study at the Economics and Management University of Florence. I am a creative person and I am capable of working on my own initiative with good organizational and decision-making abilities. One of my best skill is leadership, indeed I usually manage situations well and I always try to motivate others. I am resourceful with persuading and presenting, thus when I explain something most of the times people understand me. I speak two languages, Italian and English (C1 level, Cambridge certification).</p>
Work experiences	<p>- Support teacher, September 2018- September 2019 I studied twice a week with an eleven years old child, helping him doing his homework.</p> <p>- Promoter, Santa Maria degli Angeli Institute – 2018-2019 I contributed for the organization of some public event for the promotion of the school. I also work with a team for the creation of an Instagram page to publicize the institute.</p> <p>- Tour Guide, The Rimini Meeting– August 2018/ August 2019 I was a tour guide for an exhibition about Brunelleschi, exhibited at The Rimini Meeting in 2018. In 2019 also worked as a guide of an exhibition about Harry Potter, where I had to explain it to children.</p> <p>- Baby-Sitter, during a group holiday– July 2017/ July 2018 I worked as a baby-sitter for 10-13 year old kids. I organized many activities and group games.</p> <p>Assistant, Pecori &amp; Bartolini – March 2017 One week internship in an accounting firm to learn the basic activities of a financial firm.</p> <p>Shopping assistant, eRepair, Novara – December 2016 One week internship in a mobile phone repairs shop.</p>
Education	<p>Santa Maria degli Angeli High School, Florence, Italy – High school graduation, 2019 Now attending the Economics and Management University of Florence.</p>
IT Skills	<p>Formation in Pages, Keynote, IOS12, iMovies, Photoshop application for iPhone, E-mail, Internet. I can organize an amplification system and use a mixer.</p>
Other Skills	<p>I have the Basic Life Support certification and I worked as a volunteer on the ambulance. I visited Montreal (Canada) and the East Coast of USA, but I also traveled around Europe and visited many capital cities.</p>
