

Key Speaker: *Tommaso D'Alessandro*

Short CV: Senior Manager for CNH Reman in EMEA. Based in Modena. Italy, 44 years old, married.

I hold a MSc in Mechanical Engineering and a BSc in Economics and Management.

I like to focus on what I can change, relentlessly experiment and keep up the pace.

A natural born curious about humanities, I am fond of sailing, reading books and exploring human development via arts and mythology.

Main research and industrial topics:

industrial practitioner fond of sustainable after sales practices, my main goal consists of growing a solid remanufacturing network, centred around OEM as hubs of remanufacturing ecosystems.
