6. What is a Point?

A point(s) is a Martial Art technique executed by a Competitor

- dynamically
- with control & recoil
- with accuracy (targeting a legal area while having that area in clear vision)
- with the correct attacking tool – A. Fist (Forefist/Front of Fist only)
 - B. Foot (Instep, Heel, Sole, Ball of Foot)
- Speed
- Balance (if a competitor is pushed he/she can still score if executing a correct technique while losing balance)
- Appropriate Power according to the age and weight categories

Scoring Area:

- 1- Entire head and face (including the face guard)
- 2- Front and sides of the body above the waist
- 3- Sweeps below the calf.

Only light to moderate contact is allowed.

The Competitor may still score if the Referees feel they were thrown or pushed to the floor while executing the scoring technique.

- ✓ Any hand techniques scores as 1 point
- ✓ Foot Sweep scores as 1 point (a foot sweep or spinning sweep must be made in an upright position and make contact to their opponents' foot below the calf to the inside of the foot or heel to heel. - ✓ Jump kick to the body scores as 2 points
- ✓ Jump kick to the head scores as 3 points

A Competitor who falls to the floor can get scored on with a punch only to a legal target area within the three (3) seconds after they have fallen. If there is no exchange the Center Referee will call "stop" and have the opponent stand up and continue the match.  - Has the power to call time-outs; A Competitor can ask for a time-out (to fix safety gear or a possible injury) but it is the decision of the Center Referee to allow time out
 - The Corner Referees must stay **outside** of the competing area during the competition to give space for the Center Referee and Competitors
 - The Center Referee should be the most experienced Referee in the area and is thoroughly versed in the rules and order of competition. He/she promotes the safety of the Competitors, enforces the rules and ensures fair play
 - **The Centre Referee is not to determine the seriousness of an injury – the judgment of the injury will always lie with the doctor/ physician**
 - **In the case of an injured competitor, the competitor him-/herself, the doctor or the coach can request the Centre Referee to stop the bout**
 - **For reasons other than injuries, only the Center Referee and the supervisor can stop the bout**
 - The disqualification of a Competitor is determined only by a majority vote of the three (3) Referees
 - Once the Center Referee calls for a Competitor and he/she is not at the ringside and ready to compete, the four (4) minute rule applies
 - Once the Center Referee calls for a Competitor that is not ready or is missing or not having the proper equipment, the four (4) minutes rule applies.

An “illegal technique” results in a warning to the offender whereas an “accident” results in no warning issued**
 - If a Competitor is injured and the match is over because of the injury from the offender, the injured Competitor is declared the winner. In the case of an accident, the Competitor with the highest number of points is declared the winner. If the score is a draw, the uninjured Competitor is declared the winner.

9. Referee Scoring

9.1 Points Awarding

- Points are awarded by the majority votes of all three (3) Referees. (at least two (2) Referees must show a score)
- If the majority of the referees show a score for the same competitor but do not agree on the same technique being scored, the Center Referee will award the lower score:
 - Example A:** If the Blue fighter receives (2) two points from a Referee and (1) one point from another Referee he will score (1) one point.
 - Example B:** If the Blue fighter receives (3) three points from a Referee and (2) two points from another Referee he will score (2) two points.
 - Example C:** If the Blue fighter receives (3) three points from a Referee and (2) two points from the second Referee and (1) one point from the third Referee he will score (2) two points
- N.B.: If the referees see totally different techniques NO Point (0) will be awarded! (i.e. one Referee declares a kick and another a punch)
- If both Competitors clash and score at the same time, they will both receive their scored points.
- A Competitor cannot receive a warning and still score a point on the same call. A warning overrules a point (s).

- A Competitor can receive a point for a proper technique and another point from a warning issued to his/her opponent (extra point if no point can be deducted as offender has 0 points)
- Referees are allowed to show point(s) on one hand and warning on the other hand to the offending fighter.
