# AWAKE

TAKE CONTROL OF YOUR LIFE INSTEAD OF  
LETTING OTHERS DO IT FOR YOU.

- From the moment that you totally manage your life, all changes become possible.
- If you NOW like to achieve this new reality, where you receive what you intend to have, WELCOME to the Transurfing Tribe!

# AWARE

**CONSCIOUSLY ALTER YOUR INNER WORLD  
AND THE OUTSIDE WILL INEVITABLY FOLLOW.**

- The world is like a mirror, all that happens in your life is nothing more than a reflection of what is going on inside.
- Deal with excess potentials: fear, doubt, blame, shame and a multitude of negative issues.
- Choose the reality you intend to Live.

# MASTER

**CREATE YOUR OWN GAME, INSTEAD OF PLAYING TO THE RULES ESTABLISHED BY OTHERS.**

- What is abundance?
- Is it possible that abundance, isn't what you believe it to be?
- Using Transurfing, you can reach any goal. There is only one condition: It must be your goal.

# BEING

## WHEN ALL IS POSSIBLE

- Being in harmony with yourself, is the ideal state to create your very own Life Script.
- Replace the intention to get with the intention to give, as a result you will receive what you have renounced.
