

REVIVE YOUR STEM CELLS

Bioreversal, Antiaging and Regeneration course

Copyright Center for Research on Tissue Plasticity ©2021

Our course will illustrate the techniques used to nourish, activate, stimulate and revitalize the stem niches.

PROGRAM

Course topics

1. The stem niches. Our **hidden treasure**.
2. Dark (Undetected)
Energy and Matter.
3. Dark (Undetected) **Anatomy**.
4. **Strings and Spirals** of Energy, Chakra, Osmetik.
5. The **Vibrating** Universe: Modern Science Rediscovered the Upanishad.

6. **Cellular Feedback** to Light and Sound. The Cymatics.
7. Our **Natural Cashflow**, the Stem Cells.
8. Body-Mind **Plasticity**. From Descartes to the Uncertainty Principle.
9. **Herbs, Caresses**, and Neurobiological Vitality of Skin.
10. Endorphin **Touching**.
11. The **Electric Man**. Energetic anatomy. Organs and Centers.
12. The Electric Man. Movement, Attrition, Dendrites, **Nervous and Cardiovascular** System.
13. The Functioning of Magnetic and Contemplative **Minds**.

14. Uroboro, the **Palindromic Cycle** of Breath, Body, Thought, Machine.
15. **Samson**, the Technique to Nourish the Body from the Scalp.
16. **Digestive System**, Maintenance of Stem Niches.
17. **Prostate**, How to Nourish the Prostatic Gland.
18. **Cardiovascular system**.
19. Transdermal **Osmosis**.
20. **New Universes**.
